

Company / Staff Motto

- We conduct our business with integrity, vision & compassion.
- We create an environment that empowers employees and staff, rewards innovation, solves problems effectively and efficiently, and provides the best customer service to our clients (first and foremost) and secondly, our residents/tenants.
- We are committed to developing our employees and working closely as a team, creating and exceeding industry standards.
- We provide excellence through motivation, supported by diligence, experience, integrity, intelligence, honesty and understanding.
- We are selective and purposeful when evaluating and implementing new office or management procedures.
- We are a TEAM, always, regardless of our roles because **Together Everyone Achieves More.**

Mission Statement

Re/Max Haven Property Management offers the personal touch that is difficult to find in today's busy business world where technology has replaced open and active communication. We accomplish an exceptional experience to our client's through excellent customer service, compliance in all federal, state and local regulations, a focus on occupancy (maintaining tenants, enhancing occupancy, marketing strategies and leasing techniques) and timely service to both our owner's/client's and tenants for accounting, maintenance and customer service. We will work hard to communicate effectively our mission and policies while providing quality, reliability, responsibility, responsiveness, follow up, integrity and attention to detail.
